

Chemistry Newsletter

July 30, 2004 Volume 31 No. 31

Chemistry Summer Office Hours are
Monday – Friday 8:00-12:00 and 1:00-4:00

Newsletter Editor: Jeannette Loiselle – e-mail
jeannette.loiselle@ualberta.ca

VISITING SPEAKERS

Alberta Ingenuity Centre for Carbohydrate Science presents **Dr. Jesus Angulo**, Universität Lübeck, Germany, will speak on "Binding of ligands to human blood group B galactosyltransferase as studied by NMR" on Friday, August 6, 2004 at 11:00 AM in E3-25.

Alberta Ingenuity Centre for Carbohydrate Science presents **Dr. Matthew Disney**, Eidgenössische Eidgenossenschaft, will speak on "Small molecule targeting of RNA and carbohydrate microarrays" on Monday, August 9, 2004 at 1:00 PM in V-125.

Alberta Ingenuity Centre for Carbohydrate Science presents **Dr. Nicola Pohl**, Iowa State University, will speak on "Chemical proteomics and synthetic strategies to decipher the glycode" on Thursday, August 12, 2004 at 11:00 AM in V-125.

NOTICES

ELECTRONIC NOTIFICATION OF EXPENSE PAYMENTS

You may have been receiving multiple notifications of EFT deposits regarding a travel/expense claim already submitted and paid, often with some scrambled name as the recipient. Please disregard these and future notices of this kind - SMS/Travel are testing the system and have run into some glitches. Be assured there will be no duplicate deposits made to your account because of these notifications.

NMR News 2004-03 has been posted on the web at nmr.chem.ualberta.ca. Reading it is highly recommended to all NMR users. Contents:

- problems with spectrometer reservations
- i400: reduced access time
- changes in NMR equipment
- CD burning
- archive and backup tapes
- disk usage information
- m400: update
- FAQ 2004-03.1: uninterrupted power supply (UPS) - why do our spectrometers not have it?
- FAQ 2004-03.2: in case of a power failure can I get my sample out of the magnet?

TRANSITIONS – International Student Orientation
Welcome the world Volunteer – connect with international students; internationalize your University of Alberta experience; learn intercultural communication and leadership skills - applications online and at the International Centre. Contact transitions@international.ualberta.ca for more information. First training session is August 3, 2004. Ph. 492-2692 or visit HUB entrance 9101. www.international.ualberta.ca

Stickers for emergency numbers. Please come and pick up your stickers provided by campus security for the number to call in case of fire or other emergencies.

Monday, August 3, 2004 is a holiday and all University buildings will be closed

EMPLOYMENT OPPORTUNITIES

ARE POSTED ON THE BULLETIN BOARD
ACROSS FROM THE ELEVATORS ON THE THIRD FLOOR
PLEASE DO NOT REMOVE THE EMPLOYMENT NOTICES
FROM THE BULLETIN BOARD

Employment opportunities are posted on a new internet site:
<http://www.careerowl.ca>

University of Regina, Department of Chemistry and Biochemistry, tenure track position for an assistant professor in Biochemistry. www.chem.uregina.ca

University of Toronto, invites applications for a tenure stream position (Assistant Professor) in the area of Organic Chemistry. www.chem.utoronto.ca

University of Toronto, invites applications for a Canada Research Chair (CRC) in field measurements of global environmental chemistry. www.chem.utoronto.ca

University of Quebec, Department of Chemistry and Biochemistry is seeking candidates for a tenure-track professorship in analytical chemistry or biochemistry. Website: http://www.er.uqam.ca/nobel/dep_chim/dep_chim.htm

Universitaires du CRSNG, le département de chimie et de biochimie de l'Université du Québec à Montréal, professeur du Programme d'appui aux professeurs universitaires (APU) du CRSNG en chimie ou en biochimie. Website:

http://www.nserc.ca/sf_f.asp?nav=sfnv&lbi=c7

Dalhousie University, Department of Chemistry invites applications for a full-time probationary tenure-track position at the rank of Assistant Professor in the field of Materials Chemistry. Website:

<http://www.chem.dal.ca/no2004mcsearch.html>

Activation Laboratories Ltd., NSERC industrial postdoctoral positions in organic research.

Lakeland College, sessional instructor

Drexel University, Tenure-track assistant professor position

Outreach Activities can be accessed at:

...notices continued...

A big thank you to all those who supported our Chemistry Graduate Students' Society BBQ. They made a profit of \$375.00. Looking forward to our next event guys!

We are losing our extremely helpful IT person to the cause of higher learning. Shannon has decided to go back to school to become a civil engineer and will be leaving the Department of Chemistry as of August 25, 2004. Anyone wishing to contribute to a gift for Shannon and sign her card should see either Jackie Jorgensen (E4-34) or Ken Jorgensen (WB-08) before August 20.
