VISITING SPEAKERS

Prof. Andrzej J. Sadlej, Nicolaus Copernicus University, Torun, Poland, will speak on “Intermolecular interactions: From classical concepts to quantum ideas” on Friday, August 13, 2004 at 11:00 a.m. in E3-25.

NOTICES

We are losing our extremely helpful IT person to the cause of higher learning. Shannon has decided to go back to school to become a civil engineer and will be leaving the Department of Chemistry as of August 25, 2004. Anyone wishing to contribute to a gift for Shannon and sign her card should see either Jackie Jorgensen (E4-34) or Ken Jorgensen (WB-08) before August 20.

If anyone is interested in an ion pump and associated power supplies please contact Dr. Randy Whittal in the Mass Spectrometry Facility, room EB-38, ext. 2-5577 or by e-mail: randy.whittal@ualberta.ca

Classroom Support Services of Technical Resource Services (a Division of CNS) would like to inform everyone who uses their services that their department organizes orientations for Smart Classrooms and key/code updates.
