VISITING SPEAKERS

Prof. Alan Doucette, Department of Chemistry, Dalhousie University, Halifax, Nova Scotia will speak on “From proteins to proteomics: Moving forward with lessons from the past” on Tuesday, November 30, 2004 at 10:00 a.m. in E3-25.

Any undergraduate students interested in opportunities for graduate studies at Dalhousie University please attend an information session and pizza lunch with Dr. Alan Doucette, on Tuesday, November 30, 2004 in E3-25 at 12:00 noon.

Prof. Axel Becke, Department of Chemistry, Queen’s University, will speak on “Kohn-Sham Density-Functional Theory, the “Perfect” Molecular Orbital Formalism” on Wednesday, December 1 at 2:00 p.m. in E3-25.

Prof. Steven C. Zimmerman, Merck Frosst Lecturer, Department of Chemistry, University of Illinois, will speak on “Supramolecular polymer chemistry: Dendrimers and related structures” on Monday, December 6, 2004 at 11:00 a.m. in V-107.

502 Seminar

Ye Cai will speak on Catalytic Enantioselective α -Halogenation of Carbonyl Compounds on Monday, November 29, 2004 in V-107 at 11:00 a.m.

NOTICES

CUME EXAMINATION — The next cumulative examination will be held on **Saturday, December 4, 2004** at 11:00 am in Room E5-36.

IIP program presentations – Shauna Durocher who worked at Environment Canada will speak on “A chemical evaluation of polycyclic aromatic hydrocarbons in smoke plumes from a coniferous forest fire”; Judith Simanto who worked at Raylo Chemicals will speak on “Development of a reprocessing method for failed batches of an HIV drug”. These presentations will be held on Monday, November 29, 2004 in E5-36 at 4:00 p.m. Refreshments will be served after the presentation.

EMPLOYMENT OPPORTUNITIES

ARE POSTED ON THE BULLETIN BOARD
ACROSS FROM THE ELEVATORS ON THE THIRD FLOOR
PLEASE DO NOT REMOVE THE EMPLOYMENT NOTICES
FROM THE BULLETIN BOARD

Employment opportunities are posted on a new internet site: <http://www.careerowl.ca>

Southern Illinois University Carbondale, Department of Chemistry and Biochemistry is seeking to hire a tenure track Assistant Professor.
University of Texas, Department of chemistry invites applications for a tenure track opening in organic chemistry at the Assistant Professor level.

Université du Québec à Montréal, Department of Chemistry and Biochemistry invites application for a tenure-track position in any area of material science. There is also an opening for a Biochemistry assistant Professorship.

http://www.er.uqam.ca/nobel/dep_chim/dep_chim.htm

University of Saskatchewan, Department of Biochemistry has a Research and Teaching program in Biomolecular Structure, jointly offered by the department of Biochemistry, College of Medicine and the Department of Chemistry.

University of Manitoba invites applications for a full-time tenure track faculty position in Organometallic Chemistry at the rank of Assistant Professor Organo_Metallic@umanitoba.ca

Carleton University has a full-time tenure track position at the Assistant Professor level in the Department of Chemistry
AnorMed, has openings for a synthetic organic chemists at the B.Sc./M.Sc. level. Website - www.anormed.com

University of Wisconsin-Milwaukee, Department of Chemistry and Biochemistry has an opening for an assistant professor in organic chemistry

New York University, has openings for chemistry during the next five years and is currently seeking a qualified mid-career or senior candidate in organic chemistry.

Outreach Activities can be accessed at:
www.ualberta.ca/Outreach/whats%20new.htm#science

Starting January 1/2005 we will have new office hours. We will be open from 8:15 a.m. -12:00 noon and again from 1:00 p.m. - 4:15 p.m.

The maintenance people have asked that we do not overfill the glass bins as they are very difficult to empty once they are that full. It’s better to use many half empty bins than to overfill just one bin.

T4 and T4A’s – please advise your employees to confirm and update their addresses in Employee Pay Information through Bear Tracks.

Christmas Social

The Chemistry Department Christmas Social will be held in the Staff Lounge (E4-43) on Thursday, December 16, 2004 from 3:00-7:00 p.m. Goodies and refreshments will be available.

Holiday Closures:

The University will be closed from December 25, 2004 through to January 3, 2005 inclusive.

Closed Monday December 27, 2004 in recognition of Christmas Day falling on the Saturday.

Winter Closure will be from Tuesday December 28, 2004 to Friday, December 31, 2004.

Closed Monday January 3, 2005 in recognition of New Years Day falling on the Saturday.
