As always at this time of year a reminder goes out to all of us as staff to make sure that all of your windows are closed so that we aren't dealing with frozen pipes and such. Also Thursday, December 22/05 will be that last day of picking up any garbage. Please make sure that your garbage is emptied so that the cleaning staff can dispose of it so we don't have to come back to a smelly department.

## *A big thank you*

*goes to Tom and all of the party preparers for the great staff party that was put on yesterday. Without these hard working volunteers, this party would not be the success that happens every year.*

And also a big thank you to the Grad Association that put on such a great dinner and dance on December 10. I hear a great time was had by all and we're certainly looking forward to it again next year. Great job guys!
