

Visiting Speakers

Dr. Sergey Krylov, Department of Chemistry, York University will speak on "Kinetic capillary electrophoresis – an analytical Swiss army knife" on Thursday, January 18/07 at 2:00 p.m. in E3-25.

Dr. Christopher M. Hadad, The Ohio State university, Columbus, Ohio, will speak on "Reactive oxygen species in Chemistry: Experiment and Theory" on Monday, January 22, 2007 at 11:00 a.m. in NRE 2-003.

Prof. John Anthony, Department of Chemistry, University of Kentucky, will speak on "Balls, sticks and rods: The importance of acenes and alkynes in organic electronics: on Monday, January 29, 2007 at 11:00 a.m. in NRE2-003

The next cumulative examination will be held on Saturday, January 13, 2007 at 11:00 in Room E3-25.

The electronics shop is missing a Kodak 35mm slide projector with zoom lens and a grey plastic storage case. Would whoever borrowed this piece of equipment, please return it at your earliest convenience for this is used by everyone in the Chemistry Department. Thank you!

GRAD Students – There are UTS pamphlets for your reading pleasure on the grad table for you to read. Please feel free to pick one up

"And I'll thank you to wipe that smirk off your phase!"

EMPLOYMENT OPPORTUNITIES

Are posted on the bulletin board across from the elevators on the third floor. Please do not remove the employment notices from the bulletin board.

Employment opportunities are posted on a new internet site:
<http://www.careerowl.ca>

National Centre for Upgrading Technology (Devon, AB) is posting a temporary full-time position (see job posting board). The term will be 90 working days. The position is available as soon as possible. Contact Christie McDermott (W3-35) if you are interested--applications needed by Jan. 19.

University of Western Ontario, requires an NMR instrument specialist responsible for cryogen fills and liquid helium into magnets
<http://www.uwo.ca>

R&M Chemicals Ltd. seeks an enthusiastic, chemist to join their growing team as a senior research and development chemist responsible for developing and modifying product formulations. See employment board for more information.

Edmonton PET Centre, has a post-doctoral fellowship available.
www.edmontonpetcentre.com

University of California, Berkeley, Applications are invited for the position of Lecturer in the Department of General Chemistry.
<http://apo.chance.berkeley.edu/evaltr.html>.

McMaster University John Jay College of Criminal Justice (City of New York) has two tenure track positions available (Chemistry and Toxicology for instructor/assistant/associate/full professor.
<http://johnjay.jjay.cuny.edu/info/calendar/>

John Innes Centre requires a project leader <http://www.jic.ac.uk>.

University of Manitoba has an opening for in instructor II position in Chemistry. <http://umanitoba.ca/chemistry/>

McGill University, Department of Chemistry, has an immediate postdoctoral position available in the area of histone deacetylase inhibitor synthesis. <http://gleason.chem.mcgill.ca>
