

Visiting Speakers

Prof. Michael Wolf, Department of Chemistry, University of British Columbia, will speak on "Functional conjugated polymer materials" on Thursday, July 3, 2008 at 11:00 a.m. in E3-25.

Prof. Zlatko Bacic, Department of chemistry, New York University, will speak on "Clusters of hydrogen molecules inside nanocages of clathrate hydrate: Quantum dynamics of coupled translational and rotational motions in confined geometries" on Monday, July 14, 2008 at 11:00 a.m. in E3-25.

***** Please note *****

The support staff will not be available on
Monday, June 30/08 and

Tuesday, July 1/08 is a holiday
and the buildings will be closed.

Chemistry Golf Tournament Thursday, Aug. 14/08
First tee off time – 11:30 a.m. @ Riverside Golf Club

| | |
|-----------------------------|---------|
| Chemistry students: | \$50.00 |
| Chemistry Faculty and staff | \$65.00 |
| Non chemistry | \$75.00 |

See Ryan Lewis (492-8117) or Marcel Munroe (492-4781)

Employment Opportunities

are posted on the bulletin board across from the elevators on the third floor.
Please do not remove the employment notices from the bulletin board.

Employment opportunities are posted on a new internet site: <http://www.careerowl.ca>.

Amgen (Chemistry research and discovery) is seeking a senior associate with an emphasis on organic chemistry

Sir Wilfred Grenfell College invites applications for an 8.5 month teaching term appointment beginning August 18, 2008 and ending April 30, 2009. Please see employment board for more information.

Portage College is looking for an instructor to teach the equivalent of Chemistry 101 (Introductory University Chemistry) in September. Please see employment board for more information.

Western University is seeking a research scientist for Chemistry in the area of NMR spectroscopy. Please see employment board for more information.

Nagoya University (Global Center of Excellence) has several PhD and postdoctoral positions for international students and graduates that are available immediately in the course of the next years in this Global COE for highly talented young researchers, who look for a challenging and vibrant international research environment. Please see <http://gcoe.chem.nagoya-u.ac.jp> for more information.

Biotica is looking to recruit a Natural Products chemist to work on its drug discovery projects: Please see employment board for more information.

Mount Allison University invites applications for a one year term appointment in Biochemistry/Chemistry. Please see employment board for more information.

Coming Soon!

Room bookings on the Chemistry Department Website

A monthly posting will be available on the room bookings on our website
You can view what is available and call Jeannette (23254) if you see
an available spot that fits your needs.

WATCH FOR IT!!!
