

## Visiting Speakers

2008 Sandin Lecture Series presents **Prof. Stephen Benkovic**, Department of Chemistry, Pennsylvania State University who will speak at 11:00 a.m. on the following topics

**Sept. 9/08** – “A perspective on biological catalysis”  
in MEC 2-1

**Sept. 9/08** – “Biochemistry in the cell, the Purinosome”  
in DP 2022.

**Prof. Marek Pruski** Iowa State University will speak on “Chemical shift correlation NMR spectroscopy under fast magic angle spinning: Studies of organic-inorganic hybrid materials” on Friday, Sept. 12/08 @ 1:30 p.m. in E3-25.

The AstraZeneca Lecture presents **Prof. Ian Paterson**, Cambridge University, U.K., who will speak on “Synthesis of marine polyketides as promising anticancer agents” on Monday, Sept. 22/08 at 11:00 a.m. in MEC 2-1.

## Congratulations to:

**Amy MacDonald** who successfully defended her thesis on August 11

**Jonathan Mane** who successfully defended his Ph.D. thesis on August 20.

**Mikyung Seo** who successfully defended her Ph.D. thesis on August 21.

## WCB information

WCB requires that an employer report a work related injury to the Workers' Compensation Board within 72 hours (3 days) of being notified that the incident occurred. Recent amendments to the WCB Act include a provision that effective 1 January 2003 the WCB penalty for late reporting has been increased to a maximum of \$25,000.00 per claim. In the event that the University of Alberta is fined, these costs will be passed on to the department responsible for the late reporting. For more information, please contact Laura Pham in E3-44A.

**Cume exam:** The next cumulative examination will be held on Saturday, September 6 @ 11:00 a.m. in E3.25.

## Employment Opportunities

\*\*\*\*\*

are posted on the bulletin board across from the elevators on the third floor.  
Please do not remove the employment notices from the bulletin board.

Employment opportunities are posted on a new internet site: <http://www.careerowl.ca>.

**EMD Serono Inc.** is looking for a synthetic organic chemist who must be fluent in English. Please see [http://www.merckserono.net/en/careers/job\\_opportunities/job\\_opportunities.jsp](http://www.merckserono.net/en/careers/job_opportunities/job_opportunities.jsp) for more information.

**DuPont Central Research and Development** is searching for Ph.D. level synthetic organic and synthetic inorganic chemists. Please see employment board for more information. Send letters of interest and/or CV's to [jesus.g.moralez@usa.dupont.com](mailto:jesus.g.moralez@usa.dupont.com)

**GL Chemtec International Ltd.** is searching for an organic synthetic chemist for organic and organometallic chemistry. Please see employment board for more information.

**Nanyang Technological University** is looking for National Research Foundation people and Research Fellowships for all areas of science and Mathematics to join Dr. Steve Zhou (MIT), Dr. Hong Soon Hyeok (Caltech), Dr. Christos Panagopoulos (Cambridge) and Dr. Eugene Makeyev (Helsinki). Please apply at the following: [https://rita.nrf.gov.sg/AboutUs/NRF\\_Initiatives/NRF\\_RF\\_2008](https://rita.nrf.gov.sg/AboutUs/NRF_Initiatives/NRF_RF_2008) for more information.

**Nanyang Technological University** is looking for assistant professorships in all areas of science and mathematics for a tenure track position. Please apply at the following: [https://rita.nrf.gov.sg/AboutUs/NRF\\_Initiatives/NRF\\_RF\\_2008](https://rita.nrf.gov.sg/AboutUs/NRF_Initiatives/NRF_RF_2008) for more information.

**University of Toronto** invites applications for a tenure track position in Chemistry at the rank of Assistant professor in Biological Chemistry. Please see <http://www.utsc.utoronto.ca/~physsci/> for more information

**University of Ottawa** is seeking to fill a replacement, non tenure track, faculty position starting Sept./08 in the area of physical or inorganic chemistry. Please see employment board for more information.
