

Visiting Speakers

Dr. Brendan Wren, Head of the Pathogen Molecular Biology Unit, Professor of Microbial Pathogenesis, Director of the Wolfson Centre for Intestinal and Respiratory Infections, London School of Hygiene and tropical medicine will speak on “*Campylobacter jejuni* – A hyperglycemic bug” on Monday, March 16, 2009 @ 11:00 a.m. in E3-25. Host is: Dr. Christine Szymanski

Prof. Scott Gilbertson, Robert Welch Distinguished University Chair in Chemistry, Department of Pharmacology and Toxicology, University of Texas Medical Branch, Galveston, Texas, USA will speak on “*Projects in diversity – and target-oriented synthesis; from plague to epilepsy*” on Monday, March 16 @ 11:00 a.m. in NRE2-003.

Richard Mathies, Gilbert N. Lewis Professor and Dean, Department of Chemistry, University of California, USA will have the following lectures:

March 16 – 1:00 p.m. in V-103
“*Exploration of Mars with microchip organic analysis*”

March 17 – 2:00 p.m. in CEB 251
“*Sequencing with microchips*”

March 18 – 1:00 p.m.
“*Femtosecond stimulated Raman spectroscopy*”

Dr. Yongxin Han, Department of Medicinal Chemistry, Merck Frosst Centre for therapeutic research, Merck Frosst Canada Ltd. will speak on “*Discovery of potent and selective EP4 receptor antagonists for treating inflammatory pain*” on Wednesday, March 18, 2009 @ 9:00 a.m. in E3-25. Please join us for a pizza lunch in E4-43 @ 12:00

CUME Exams will be held on Saturday, April 4, 2009 at 11:00 a.m. in E3-25.

The deadline for applying for vacancies for the GFC Nominating Committee is Wednesday, March 17, 2009.

Employment Opportunities

are posted on the bulletin board across from the elevators on the third floor.
Please do not remove the employment notices from the bulletin board.

Employment opportunities are posted on a new internet site: <http://www.careerowl.ca>.

Biotica, UK requires a Natural products chemist as well as a molecular biologist. Please see employment board for more information.

CDRD is looking for individuals who have recently received their Ph.D. in organic chemistry or those who expect to complete their thesis shortly. Please see www.cdrd.ca for more information.

University of Alberta The Biogeochemical Laboratory in Biological Sciences is hiring for a summer laboratory technician. See postings by the mailboxes or email: BGCAlaboratory@ualberta.ca. information on the lab is available at: <http://www.biology.ualberta.ca/facilities/limnology>.

York University has an opening for a PDF position in the area of Atmospheric Chemistry. Please see employment board for more information.
