

502 Seminars

Sarah Sparling will speak on *"Investigation of Single Walled Carbon Nanotubes using Raman Spectroscopy"* on Wednesday, April 22, 2009 @ 11:00 a.m. in E3-25.

Congratulations to **Eli Stoffman** (Dr. Clive) who passed his PhD final exam on April 9, 2009.

Congratulations to Dr. Rik Tykwinski on the birth of his son, **Alex John Tykwinski** - Born Monday, April 6 at 9:53 am and weighing in at 9 lbs 12 oz!

Visiting Speakers

Tadeusz Gorecki, Department of Chemistry, University of Waterloo, Waterloo, Ontario, will speak on *"Comprehensive two-dimensional gas chromatography: from developments to applications"* on Friday, April 17, 2009 @ 4:00 p.m. in E3-25.

Prof. Warren Piers, Department of Chemistry, University of Calgary, Calgary, Alberta, will speak on *"Novel Boron-containing heterocycles for materials applications"* on Friday, April 24, 2009 @ 1:00 p.m. in E3-25.

Prof. Kazunori Koide, Department of Chemistry, University of Pittsburgh, Pittsburgh, Pennsylvania, USA will speak on the following two days on the following topics.

Monday, April 27, 2009 @ 11:00 a.m. in Rm. MEC 2-1
"Development and Applications of Cell-Permeable Fluorogenic Probes for Biology and Environment".

Tuesday, April 28, 2009 @ 2:00 p.m. in Rm. 2-27 Med. Sci. Bldg.
"Synthesis and biological studies of FR901464 and its analogs".

CUME Exams will be held on Saturday, May 2 at 11:00 am in Room E3-25

Employment Opportunities

are posted on the bulletin board across from the elevators on the third floor.
Please do not remove the employment notices from the bulletin board.

Employment opportunities are posted on a new internet site: <http://www.careerowl.ca>.

GlaxoSmithKline in North Carolina has a research internship in Chemical Biology for a Canadian student who has completed a bachelor's degree in Chemistry with an additional year of post graduate training. Please see employment board for more information.

Alberta Agriculture and Rural Development, Edmonton – The Food Safety Division (FSD) is seeking an Inorganic Residue Chemist to provide analytical support for the chemical residue programs within the chemistry Section of the Agri-Food Laboratories Branch (AFLB). For more information please go to <http://www.jobs.alberta.ca>. Closing date – April 14, 2009.

Biotica, UK requires a Natural products chemist as well as a molecular biologist. Please see employment board for more information.

CDRD is looking for individuals who have recently received their Ph.D. in organic chemistry or those who expect to complete their thesis shortly. Please see www.cdrd.ca for more information.

University of Alberta The Biogeochemical Laboratory in Biological Sciences is hiring for a summer laboratory technician. See postings by the mailboxes or email: BGCAlaboratory@ualberta.ca. information on the lab is available at: <http://www.biology.ualberta.ca/facilities/limnology>.

York University has an opening for a PDF position in the area of Atmospheric Chemistry. Please see employment board for more information.
