For the Week of August 2 to August 6, 2010

EMPLOYMENT OPPORTUNITIES

Simon Fraser University Department of Chemistry invites applications for a tenure-track Assistant Professor position within the areas defined by Metabolomics, Proteomics, and Bioanalytical Chemistry in support of the Pharmacogenomics and Therapeutic Chemistry initiatives, to take effect in September 2011, subject to final budgetary approval. Applicants should have a Ph.D. degree and will normally have postdoctoral or industrial experience. The competition will remain open until the position is filled. Screening of applications will commence on October 1, 2010.

Applicants should send a complete resumé, a concise research proposal, a short teaching dossier, and a list of three individuals willing to act as referees with their addresses, telephone and/or fax numbers, and e-mail addresses. All correspondence should be sent to:

Dr. Zuo-Guang Ye
Professor and Chair, Department of Chemistry
Simon Fraser University
8888 University Drive, Burnaby BC V5A 1S6 Canada
E-mail: chemchr@sfu.ca

The Canadian Chemical News is seeking a staff writer. The staff writer's primary responsibility is to write news stories for the Canadian Chemical News, print and online. Other tasks include assisting the editor with magazine editing and planning as well as writing and editing other communications initiatives. This is a permanent position and is based in Ottawa, Ontario.

Qualified candidates should forward, by August 31, their resumé, three to five writing samples and a covering letter stating expected remuneration to:

The Chemical Institute of Canada
Attention: Human Resources (Confidential)
550-130 Slater Street, Ottawa, Ontario K1P 6E2
or Email: humanresources@cheminst.ca
