

# W. E. Harris Teaching Workshop: Innovations in the Chemistry Laboratory

May 12-13, 2011

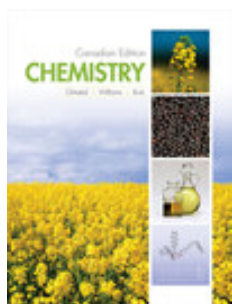

Department of Chemistry

University of Alberta

## Thursday, May 12

## E3-25 Chemistry (Gunning-Lemieux) Centre

- 9:00-9:45 am Welcome by organizers  
Announcements  
Introduction of Participants  
Discussion of Workshop Goals  
Organization of Breakout Discussion Groups and Topics
- 9:45-10:45 am Discussion Groups (Session 1)
- 10:45-11:00 am Coffee, E3-25
- 11:00-12:00 Discussion Groups (Session 2)
- 12:00-1:30 pm Lunch - food in E3-25, seating throughout science area of campus.
- 1:30-2:30 pm Discussion Groups (Session 3)
- 2:30-2:45 pm Coffee, E3-25
- 2:45-3:45 pm Discussion Groups (Session 4)
- 4:15 pm Tours (National Institute of Nanotechnology (NINT), Centennial Centre for Interdisciplinary Science (CCIS), Chemistry department) or visits with colleagues in Chemistry Dept., then Break
- 7:00 pm Dinner, Prairie Room, Lister Conference Centre

The after dinner program will consist of a talk by Professor Robert (Bob) C. Burk of Carleton University. Professor Burk will also be a participant in the Thursday and Friday discussions.

## Friday, May 13

## E3-25 Chemistry (Gunning-Lemieux) Centre

- 9:00-10:30 am Reports from Discussion Groups
- 10:30-10:45 am Coffee
- 10:45-12:00 Reports from Discussion Groups (cont.)
- 12:00-1:00 pm Lunch
- 1:00-2:30 pm Reports from Discussion Groups (cont.)
- 2:30-2:45 pm Coffee
- 2:45-3:30 pm General discussion, Conclusions, and Follow-up Planning
- 4:00 pm Adjourn

**Sponsored by Alberta Innovation Fund, Research Corporation, Vargo Teaching Chair, Wiley and Sons Publishing Co. and the Department of Chemistry and Faculty of Science at the University of Alberta**
