

Summer Research Program in Physical Chemistry

at the University of Alberta

Undergraduate Summer Research Application

Application Deadline: January 15, 2013

Program: May 2 to August 21, 2013

Last Name:

First Name:

Institution:

Current Address:

Telephone:

e-mail:

Home Address:

Academic Program:

Current Year of program:

Please check one:

Canadian Citizen

Permanent Resident

Other (specify):

Current Research Interests and Previous Research Experience, if applicable:

Career Plans:

Other Relevant Information:

Check all areas of research that you are interested in:

Biophysical Chemistry

Materials Chemistry

Molecular Structure and Dynamics

Theory and Simulation

A complete application consists of this form, a copy of your current academic transcripts, and one letter of reference assessing your academic and/or research abilities. Send your application package by e-mail to:

ugsrp@chem.ualberta.ca

or by regular mail to:
